Remote Learning

Class teachers have been so impressed with how the children (and parents) have engaged with the home learning that has been set. Many thanks to everyone for their keen participation in these difficult times.

Please don't forget to email the class teachers individually with any queries or concerns.

As we begin week 3 of Remote Learning we are constantly trying to improve the provision we have in place for the children. Please fill in the survey below to give the school valuable feedback (the same survey's can also be found on the school website)

Survey for FS / KS1 parents <https://www.surveymonkey.co.uk/r/KZ2RTSD>

Survey for KS2 parents <https://www.surveymonkey.co.uk/r/KZ6XL6Y>

For us to begin to timetable 'live' lessons in Google Classrooms, we have asked that parents all read the E-safety Guidelines and Expectations documents with their children that were posted on the class streams last week. Mrs Edgell also sent an email to parents about this last week. We will not be able to start any live lessons until all parental permissions are received.

Please remember class teachers are planning and delivering lessons face to face in the classroom as well as doing the lessons for the remote learning.

Reception

This week Reception have been finding out about woodland animals and their homes.

Clara has made her own hedgehog out of a balloon and rice. She has also made a home for a fox and has written the key words about foxes and their families as part of her model.

Year 1

So much hard work and so many examples of lovely videos and great activities are being uploaded to Tapestry.

Molly used different materials to create a collage.

Archie used different materials to make his robot with a moving part - the eyes appear. Both children have been working very hard with all their learning.

Year 2

Logan has engaged really well with all the learning tasks and produced some great writing.

Emily has worked really hard on the spelling activities.

Felix drew a fantastic drawing looking at a piece of artwork by Van Gogh

Year 3

All of Year 3 has done brilliantly but a special mention to Florence (also her mum and Molly) for performing a play script with costumes, make up and props, including a tea table for the Mad Hatter's Tea Party!

Maisie completed a beautiful poster using her drawing skills and research skills.

William for a well presented and informative weather poster for geography.

Year 4

This week Y4 have been looking at the Artist Juan Miro. They had a go at creating some artwork in his style! The children's pictures were amazing! We also had some exciting dens built in DT this week – it was very pleasing to see lots of children using their finished den to read and have a snack! Maths has been tricky this week but I would like to say a special 'thank you' to Ben and Zach T who have shown great resilience and kept on going when things got hard – very well done.

Year 5

Chloe and Tomi are just 2 of the many examples of excellent home learners in Year 5. They have both returned their work on time and given valuable comments to tell Mrs Kay how they got on. Work is of the standard that would be expected at school and they have been patient in waiting to be able to use a laptop that is not always available to them. Mrs Kay particularly enjoyed seeing their artwork and reading their English work.

Year 6

We have seen some great remote learning from Year 6 with some children gaining such a lot of confidence using Google classroom (especially as we had only completed one lesson before the Christmas holidays).

Charlotte and Harley are both excellent examples of people who were not so confident at the start of lock down but are now turning in every piece of work on time and to a high standard.

Alex and Felicity have both been sending work in of consistently excellent quality.

This is Rhys's lovely artwork.

Great learning from everybody.

Thank you and take care,

Mrs Holt
