

PANSHANGER PRIMARY SCHOOL

Headteacher: Mrs Sarah Holt BEd. (Hons).

Monday 24th January 2022

Dear Parents,

Work began last week on the refurbishment of the swimming pool, fingers crossed everything goes to plan and the children can make good use of it this summer.

If any parents know of anyone who would like to help 'lifeguard' the pool for PTA sessions, please pass their information to the school office. This job is usually best suited to someone still at school themselves, as the hours are limited to a couple of hours a session e.g. after school / summer holidays. They must be 17 or over. Ideally this would be a person who has already completed their lifeguarding training although this is something the school / PTA could help with, often courses are run during the Easter holidays at the University of Herts pool.

Covid cases

Many thanks to all the parents who are continuing to LFT their children and tell the school the results, this will help to keep everyone safe. If your child is self-isolating but feels well enough to complete some school work, please contact the class teacher, work can be made available on Google Classroom and via Tapestry.

Athletics

Last week Year 5 attended an indoor athletics event held at Ridgeway, they performed well and their behaviour was impeccable.

Matchbox Cars

Nursery are looking for some small toy cars for the classroom. If you have any at home that are no longer needed please send them in.

Yours sincerely,
Mrs Holt
