MFL news - International School Award

I am delighted to announce that this week we received the Foundation Level International School Award from the British Council, in recognition of the eTwinning projects undertaken by the children at Panshanger. The aim of the award is "to prepare young people for life in a global society by increasing their understanding of other countries and cultures." I would like to thank the children for their ongoing efforts in contributing to these projects, which provide the opportunity to share work with children from schools in other countries. Well done to you all! Mme Bruce

PTA 'Get Ready for Summer Day'

Please join us this Saturday 13th May to help 'prep' the school for Summer. There will be lots to do and it would be great to have lots of helping hands to help lighten the load! The BBQ will be lit and you are welcome to bring along some food to cook. There will also be some refreshments provided on the day.

Bicycles before school

Please remember the children **should not** be riding their bicycles on the school grounds unless it is in Golden Time. We have noticed some children in the morning before school on the playground on their bikes, this is a safety hazard to both children and parents! Please ensure all bikes are left at the bike racks as you enter the school in the morning. Thank you.
