

Panshanger Primary School
Sports Premium funding 2016 / 17

In 2014 approx. £40 million was dedicated to aid provision for primary school PE and school sport. The introduction of this Sport Premium money has given our school the opportunity to further our development in terms of PE and Sport.

Review of 2015 - 16

- ✓ A very successful competition year (2015 - 16) 2nd place in dance competition, winning local football and netball sessions, entry to second round events for athletics / basketball / hockey etc. This was a direct result of the opportunities offered and coaching sessions through involvement with the Schools Sports Partnership and the range of after school clubs run by school staff.
- ✓ Staff confidence and expertise has increased especially within the teaching of gymnastics - result of the involvement of Michelle Bavington (Schools Sports Coordinator) who has worked directly with Panshanger teachers.
- ✓ The children enjoyed the introduction of the 'new' club Cheerleading - this was aimed at KS2 children and the first sessions were well attended (mainly girls). The final performance was to a group of parents who thoroughly enjoyed the experience.
- ✓ The introduction of a specialist sports coach one lunchtime a week has been influential in the children being more active. Additional equipment has been purchased to support this. One class a week has been working with the coach and the older children have particularly benefitted - having time by themselves to take part in a structured sporting activity.
- ✓ Lacrosse sessions popular with upper KS2 - pupil voice highlights that the children enjoy the sessions - they feel it is a 'different' sport and can see the transferable skills e.g. eye hand co-ordination / attacking and defending etc. this will continue next year.

The action plan for the year has been monitored by the PE subject leader (who is a member of the SMT) and the govs. through regular updates and reports.

The monitoring will take the form of: lesson observations / pupil voice / monitoring of planning / pupil and staff audits and questionnaires.

For 2016 - 17 Panshanger will receive ring fenced funding in the region of £8,750

<u>Action</u>	<u>Cost</u>	<u>Proposed impact</u>
Join the Welwyn and Hatfield Schools Sports Partnership	£4445	Entry to a range of level 1 and 2 competitions PE subject leader to attend update sessions termly Training for all staff - based on staff audit of needs.
Sports coach for lunchtime sessions 1 day a week	£1560	Increased provision of organised games during lunchtime sessions. Increased skill level and range of sports offered. New resources purchased if needed.
Use made of own 'outstanding' teaching to upskill members of staff providing CPD	£1000	All staff confident and skilled delivering the PE curriculum as appropriate to their year group. Lunchtime staff confident in supporting the children with their lunchtime activities.
Lacrosse coach to delivery sessions for upper KS2 classes	£370	Wider range of sports offered to the children to give a range of opportunities
Range of after school opportunities offered to the children through the use of paid clubs / school staff	£250	Further opportunities offered with the chance to attend competitive events where possible
Subject leader time to monitor the curriculum	£250	Ensure all aspects of the PE curriculum are being covered through a range of sports, ensuring progression in skills and discussion of fitness and well-being.
Use of outside providers to provide a range of workshops for all year groups.	£1000	Quality teaching for the children and CPD for staff

The plan for increased provision and outstanding provision is sustainable with the training of Panshanger staff.
