May Challenge

Many thanks to those who regularly take part in our monthly challenges. They are voluntary but many children clearly enjoy completing them.

Later in May (towards the end of this half term) we have arranged a visit to school by Spirit of the Wild <https://www.spiritofthewild.biz/>. We have had this group in school before and they are excellent, introducing the children to a range of animals and birds in a controlled and safe manner.

With this in mind, it would be good if the children could complete a task during this month relating to animals:

- a fact file about a chosen animal
- a piece of art work of the animal – this could be a picture created from natural resources / a picture completed using finger painting / a realistic picture using any media e.g. paint / crayons / pencils etc.
- a poster describing the animal and including its natural habitat

In the usual way, please email the finished work to head@panshanger.herts.sch.uk

Consultation meetings

The majority of parents have now logged on to <https://panshanger.schoolcloud.co.uk/> and booked appointments to speak to the class teacher. Please remember it is an individual appointment for each child and will only last for 10 minutes. If you are having any problems with the booking system, please ring or email the school office.
